

EXPERIENCE REPUTABLE PROCESS

Chemicals Seller's procedure

Steps for registering export customers via email at Registration.tpc@tpco.ir:

1. Conducting export sales
2. Opening emails and determining the winner
3. Notifying the winner and requesting documents and information for issuing a proforma invoice
4. Issuing a proforma invoice
5. Sending the proforma invoice to the customer for payment
6. Receiving the customer's payment documents and receiving confirmation of payment
7. Receiving customer documents and information for issuing a delivery note
8. Issuing a delivery note and informing the customer of the delivery note number
9. Presenting a transport introduction letter by the customer for loading and customs clearance operations
10. Credit verification process

NOTE: To Save Time And Cost, All Buyer Parties Must Adhere To The Validation Process determined by TIDOTS OIL Before Entering The Seller's Process.
